FOR IMMEDIATE RELEASE

Bilingual International Assistant Services Becomes 53rd Mosaic Ambassador Organization

ST. LOUIS – June 16, 2023 – [Bilingual International Assistant Services](#), a leading advocate for equal access to healthcare, mental health, and social services for all individuals regardless of national origin or language ability, became the 53rd Ambassador Organization for the St. Louis Mosaic Project.

With a majority of its staff being foreign-born, Bilingual International Assistant Services brings firsthand experience and cultural knowledge to their work. Leveraging its deep connections within refugee and Limited English Proficiency (LEP) communities, it reinforces its dedication to fostering a welcoming environment for individuals from diverse cultural and linguistic backgrounds.

Aligned with the St. Louis Mosaic Project, Bilingual International Assistant Services will actively support the Mosaic Professional Connector Program, empowering work-authorized foreign-born candidates by facilitating networking opportunities and providing extensive resources.

Additionally, Bilingual International Assistant Services is committed to participate in the Mosaic International Spouse Program and International Mentor Programs specifically designed for "Trailing Spouses." These initiatives provide invaluable support and guidance to individuals who have relocated due to their partner's professional opportunities, helping them navigate their new environment and establish a sense of belonging.

About Bilingual International Assistant Services:

Bilingual International Assistant Services is an organization dedicated to ensuring equal access to healthcare, mental health, and social services for all individuals, regardless of national origin or language ability. Through advocacy, education, and direct multilingual services, Bilingual International Access Services promotes inclusivity, fosters integration, and advocates for the rights of individuals from diverse cultural backgrounds.
