ST. LOUIS MOSAIC PROJECT

Square, Inc. Becomes 10th Mosaic Ambassador Company

(St. Louis) – St. Louis Mosaic Project is enthused to welcome Square Inc. as a Gold Level Ambassador Company, the Mosaic Project’s 10th Ambassador Company.

Square’s purpose is economic empowerment, and as a company co-founded by St. Louis natives with a strong and growing St. Louis presence, Square is a natural ally for the Mosaic Project. By partnering with the Mosaic Project as an Ambassador Company, Square is reinforcing its commitment to supporting a robust international community in and around St. Louis. Square is dedicated to fostering diversity and inclusion in the workplace, and the company looks forward to extending this work both internally and externally through recruiting and volunteering activities. As a Gold Ambassador Company, Square will work to spread awareness of the Mosaic Project, encourage associates to become Mosaic Ambassadors, and participate in opportunities that support global communities. As a Gold Level Ambassador Company, Square also reaffirms its commitment to participating in professional associations that support underrepresented communities, as well as sponsoring and supporting a wide array of internal employee resources groups through its diversity and inclusion program.

Square believes the economy is better when everyone has access, and its technology has enabled many entrepreneurial endeavors to take flight. Square is now documenting the dreams of small business owners in America, featuring stories that speak to a fundamental belief that underlies Square's work—that dreams can be achieved when we empower people with access to the right tools. Stories can be viewed (and are being collected!) at squareup.com/dreams.

About the St. Louis Mosaic Project

The St. Louis Mosaic Project was launched in 2012 in response to an economic impact report, outlining St. Louis to be lagging in immigrant growth as well as highlighting the economic benefits of increasing its foreign-born population. The Mosaic Project is a regional initiative that is professionally managed by St. Louis Economic Development Partnership, World Trade Center St. Louis and a 22-member committee. Its goal is to transform St. Louis into the fastest growing major metropolitan area for immigration by 2020 and promote regional prosperity through immigration and innovation.
